

# Strategic Leadership and Talent Development

Global Executive Program

SLDT London 2015

October 12 to 16 by 2015. London, United Kingdom

Want to go to London?

Nowadays all industries are facing dramatic changes and need to prepare themselves for a future full of uncertainty. The HR professional must work creatively to create scenarios where new generations and technologies play a transformational role in the future of their organization.

We invite you to join us in London from October 12-16 for the Strategic Leadership and Talent Development Global Executive Program, with the aim of studying and experiencing the latest Leadership and Talent practices for the future of business.

This is not your everyday program. This program has been designed by Latam Business School and is supported by the University of Portsmouth, Kingston Business School and CIPD, the largest HR Association in the UK. We will be welcomed by Sir Michael David Bear former-Lord Mayor of the City of London and high-ranking member of the UK Government.

This is also not your typical on-campus program. We will have classes each morning with world-class experts like Andrew Parmley (Lord Mayor-Elect of the City of London), Janice Caplan, Dr. Jelena Petrovic and Peter Brook. In the afternoon, we will meet with the HR teams from various companies based in the UK, including Sony Music Entertainment, Arup, Foster + Partner, among others where we will hear about their strategies and see how they are working on innovative projects.

We will have classes in the award-winning City of Westminster College, one of the most modern educational buildings in the world. In the evening, we will be able to network with local HR colleagues and we will have outings to live the "London Experience", one of which is the possibility to attend the Rugby World Cup.

This program will not only transform your vision for the future of business and the HR profession, it will also provide you with tools and global networking to put into action the innovative strategies that will benefit your current and future professional roles.

The program includes simultaneous translation (in Spanish), transportation, lunch, coffee, certificate and materials, and preferential pricing in hotels.

You're invited! Here is a link to receive more information: <http://cydbschool.com/landing/Londres/london.html>

There's not much time left! Visas only take about 10 days!
