Event Description:

HRSE 2019 (HR Summit & Expo) is the region's largest HR and people management event hosting 5,000+ professionals and over 110 solutions and service providers under one roof for 3 days. The main conference features an HR Tech Summit and HR Strategy Summit. HRSE addresses the profession's pressing challenges and discusses the latest trends through a comprehensively designed agenda with real life examples and practical case studies.

HRSE is the platform where HR, technology and the new world of work join forces. The exhibition features 70+ free to attend seminars where visitors have a chance to earn up to 30 CPD points by attending these sessions. In addition, the event also features the Future Workplace Awards gala dinner, networking opportunities, fun activities, a wellness zone hosted by AXA insurance, a happiness zone hosted by HONO HR, book signing sessions, speed networking, live product demos, start-up pitch competitions, and much more.

5,000+ HR Professionals | 500+ Senior HR, L&D and Talent Leaders | 140+ Speakers | 130+ Sessions | 45+ countries
